

WEREPIRE DAY

WEREPIRE DAY

Cody Holliday: Guitar – **Thomas "Atomic" Satterfield:** Drums
Brian Foster: Bass – **Chris Golwitzer:** Vocals and Guitar

Have you ever had a really good Sloppy Joe, and then you had a New York Sloppy Joe and thought, "What the hell is all of this coleslaw doing on here?" Werepire Day is that good Sloppy Joe, with no slaw whatsoever. Werepire Day is a Midwestern Sloppy Joe made at some point in the 90's, exact year dependent on where you bite the sandwich. Werepire Day is delicious.

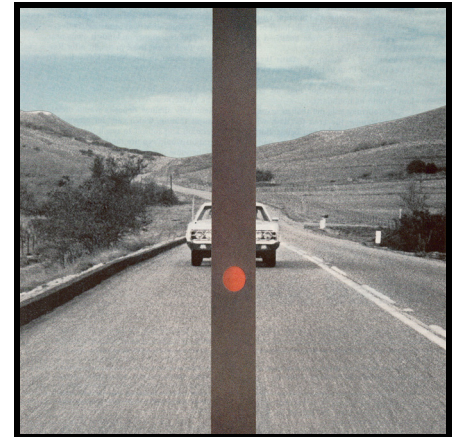

Werepire Day is the personal project of Christopher Golwitzer, known for his time in the rock bands Hinter, First Grade Crush, Steven, and So Scientific. The project also features drummer Thomas "Atomic" Satterfield of Tina Sparkle and Scouts Honor.

Similar artists: Guided By Voices, Jawbreaker, Seaweed, Superchunk, Sloan, Dinosaur Jr., Knapsack, Waxwing
